

Company Overview

Welcome to XYZ Technologies Customer Support Center. This knowledge base contains answers to common customer questions regarding billing, refunds, subscriptions, technical support, shipping, account management, and warranties.

Billing & Payments

Payment Methods

We accept:

- Credit Cards
- Debit Cards
- UPI
- Net Banking
- PayPal

Invoice Download

Customers can download invoices from:

Account Dashboard → Billing Section → Download Invoice

Invoices are available for all purchases made within the last 24 months.

Failed Payment

If your payment fails:

1. Verify card details.
2. Check available balance.
3. Contact your bank.
4. Try another payment method.

Refund Policy

Standard Refund Policy

Refund requests are processed within 30 business days from the date of approval.

Eligibility

Customers are eligible for refunds if:

- Product is defective.
- Service was not delivered.
- Duplicate payment was charged.
- Order was canceled before processing.

Non-Refundable Items

Refunds are not available for:

- Customized products
- Digital downloads after access
- Gift cards

Refund Status

Customers can track refund status from:

Account Dashboard → Orders → Refund Status

Subscription Management

Upgrade Plan

To upgrade your subscription:

1. Login to your account.
2. Open Subscription Settings.
3. Select Upgrade Plan.
4. Complete payment.

Cancel Subscription

Subscriptions can be canceled anytime.

Cancellation steps:

1. Open Account Settings.
2. Select Subscription.
3. Click Cancel Subscription.
4. Confirm cancellation.

Downgrade Plan

Plan downgrades take effect at the next billing cycle.

Account Management

Reset Password

To reset your password:

1. Open Login Page.

2. Click Forgot Password.
3. Enter registered email.
4. Follow instructions received via email.

Change Email Address

Users can update email addresses from:

Profile Settings → Personal Information

Account Security

For maximum security:

- Enable Two-Factor Authentication.
- Use strong passwords.
- Avoid sharing login credentials.

Technical Support

Application Not Opening

If the application does not open:

1. Restart the device.
2. Update the application.
3. Reinstall the application.

Slow Performance

Possible causes:

- Low storage space
- Poor internet connection
- Background applications

Login Problems

If login fails:

- Verify credentials.
- Reset password.
- Clear browser cache.

Software Update Issues

Ensure:

- Stable internet connection
- Sufficient device storage

- Latest operating system version

Internet Connectivity Issues

WiFi Troubleshooting

1. Restart router.
2. Check cable connections.
3. Move closer to router.
4. Reconnect network.

Network Error

If network errors continue:

- Contact your Internet Service Provider.
- Reset network settings.

Shipping Information

Delivery Time

Estimated delivery times:

- Local Orders: 3–5 days
- National Orders: 5–10 days
- International Orders: 10–20 days

Order Tracking

Track orders using:

Account Dashboard → My Orders → Track Shipment

Delayed Orders

Orders may be delayed because of:
